A **Normal** turnaround time means that your search request will be completed within 2-3 business days for U.S. trademark and specialty searches, and 5 business days for international searches.

A **RUSH** turnaround time means that your search request will be completed within 1 business days for U.S. trademark and specialty searches, and 3 business days for international searches. **A rush order must be received by us by 3:00 p.m. (Eastern Time) to guarantee completion by the next business day.**

A **Super Rush** turnaround time means that your search request will be completed that same day, and is only available for certain U.S. trademark searches. **A super rush order must be received by us by 11:00 a.m. (Eastern Time) to guarantee completion that same business day.**

Other search terms and conditions apply as are described in our website at www.lawmart.com.

OUR PLEDGE TO YOU:

1. Your search will be conducted **promptly and professionally**.
2. We use only **full-time experienced researchers**.
3. All U.S. trademark research is done **hands on and on-site**.
4. Wherever possible, **we provide actual copies**, not just computer summaries.
5. All search reports are available by **both email & hard copy**.
6. Each search report includes a **free telephone consultation** (not legal advice).
7. Our goal is **your complete satisfaction**.
